Bible 365

Bible 365 is a simple, effective way to read the Bible every day. The plan involves reading four chapters per day five days a week and uses the weekends to catch up if you missed any days. The beauty of a Bible reading plan is that all the guesswork is removed. There is always a place to start and a sense of direction.

It's never too late - start today!

Start reading today online at ark.info or download The Ark Church app to follow along with your mobile device.
