

# THE REAL DANGER

## THREE AREAS OF CONCERN

### ❖ **Our current situation**

- ◆ Terrorist attacks on our own soil
- ◆ Racial tension - way too much over generalization
- ◆ Political turmoil

### ❖ **The fourth concern - The Church losing our focus (*Matthew 5:13-16 NKJV*)**

- ◆ Salt was an ancient preservative - have to stay salty
- ◆ Light has to shine to value others - seen in our good works

## A LESSON IN FOCUS (*Matthew 14:25-32 NKJV*)

### ❖ **Jesus never intended to cause fear**

- ◆ He responded immediately - because He cared and knew fear was not of God

### ❖ **Peter was empowered by Jesus' word**

- ◆ Acting on that one word enabled him to do the impossible

### ❖ **Peter lost focus - the biggest problem (not the storm)**

- ◆ When he stopped looking at Jesus and started looking at the storm
- ◆ Fear gripped him and he started to sink
- ◆ Jesus was gracious and immediately rescued him

## THE REAL DANGER - LOSING OUR FOCUS

### ❖ **We don't have to lose focus**

- ◆ Keep looking to His word and what He has said to us

### ❖ **The danger of losing focus**

- ◆ We lose a sense of our true identity (*Colossians 3:10-11 NKJV*)
- ◆ We lose our grip on the faith that we need to navigate the storms (*Hebrews 12:2-3 NKJV*)
- ◆ We respond like people without God (*1 Corinthians 3:3 NKJV*)

### ❖ **There is a way we can respond positively and have an impact (*2 Chronicles 7:14 NKJV*)**

- ◆ Humble ourselves - realizing the answer is not in us
- ◆ Pray - we call on God and ask for His involvement
- ◆ Seek His face - we keep our focus on Him not the problems
- ◆ Turn from our wicked ways - we will not respond in the same "spirit" as the world - not part of the problem
